## Summary

I'm a creative and tech-savvy professional with skills in coding, drawing, photography, and filmmaking. I love blending art and technology to bring unique ideas to life. With a passion for storytelling and innovation, I strive to create work that is both visually compelling and technically precise.

## EXPERIENCES

### Host/Cashier

April 2024 - Current

Foodies, Englishtown

- Showcased daily breakfast, lunch, and dinner features, detailing key cuisine elements, and recommended wine and spirit pairings.
- Handled cash transactions accurately using point-of-sale systems while adhering to company policies on cash-handling procedures.
- Maintained cleanliness of the lobby area, including wiping down tables and chairs.
- Distributed menus to guests, led them to tables, and provided initial information about the service staff or specials.
- Supported serving staff, food runners, and bussers to keep the dining room presentable and ready for guests.

### Food Runner

March 2022 - Aug 2023

La Cipolina, Freehold Boro

- Efficiently communicated food orders from the kitchen to the appropriate servers, ensuring accurate and timely delivery.
- Collaborated with kitchen staff to ensure that all dishes were properly prepared and presented before being served to guests.
- Maintained a clean and organized work area, always adhering to health and safety regulations.
- Demonstrated attention to detail when checking food items for accuracy before delivering them to customers' tables.
- Replenished water glasses, bread baskets, condiments, and other necessities during meal service.
